

## Private Events

**Thank you for considering *The Original* to host your upcoming event.**

The Original is a modern neighborhood restaurant serving up new twists on mid-century American cuisine. Our attentive service, playful menu and versatile space make us the ideal choice for reunions, birthday parties, rehearsal dinners, graduation dinners and corporate dinners or outings.

Our space was conceived by New York interior designer David Ashen, who borrowed from the past to blend the style and sophistication of mid-century Palm Springs with the casual feel of the classic American diner.

The Original is a destination for gatherings, day or night. Our drink menu features classic cocktails made with local and international spirits, and mixed with our housemade signature sodas. We also feature beers and wines made by local artisan brewers and winemakers.

Our two-floor space can accommodate parties for semi-private and private events, with reception areas in four unique locations in our restaurant: our full service **Dining Room**, the **VIP Banquette Lounge**, the **Window Gallery** and our **Mod Ultra-Lounge**. In addition, we also have the use of 5,300 square feet of meeting space in the adjacent Courtyard by Marriott hotel. All areas are serviced by our staff, meaning your function will be infused with our sense of style, and our dedication to top quality food and drink.

We provide all of the flatware, glassware, and serving equipment and, upon request, we will rent specialty linens or other additional equipment.

## Full-Service Dining Room and VIP Banquette Lounge
